VPLHL-7WLED-PC-12.3-GR50

10W Food Safe Vapor Proof (Waterproof) LED Drop Light w/ Lexan Globe - 12/3 SOOW - 50' Reel

Product ID: 150536

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

VPLHL-7WLED-PC-12.3-GR50 Drop Light

Listing: United States
Lamp Dimensions: L-13" Head Dia-4.5" Handle Dia-2"
Lamp Type: LED Bulb
Lamp Colors:White, red, blue, green, amber
Total Watts: 10 watts (7W for low voltage)
Voltage: 120-277 Volts 50/60 Hz, 11V AC/DC, or 25V AC/DC
Globe Material: Lexan
Mounting: Aluminum Hook
Wiring: 50` 12/3 SOW cord w/ Cord Reel
Cord Reel Dimensions: 25.5" H x 10.5" W x 24" L

Ratings / Summary

WaterProof / Vapor Proof
50` Cord Reel w/ Ratchet
Lexan Globe

Made in the USA

The Larson Electronics VPLHL-7WLED-PC-12.3-GR50 LED Food Safe Trouble Light / Hand Lamp / Drop Light with Reel is both waterproof and vapor proof and constructed and certified to prevent the intrusion of water and/or moisture into the handle and/or head when used as instructed in wet locations.This waterproof and vapor proof LED light is available in 120-277V AC, 11V AC/DC, 25V AC/DC light configuration.

This 10 watt Food Safe LED work light with retractable cord reel from LarsonElectronics.com produces 1050 lumens and comes complete with a 50 foot long 12/3 SOW cord for long range and convenient operation. This waterproof and

vapor proof drop light features a rubberized, insulated handle to provide a safe and secure grip and a stainless steel wire guard enclosure to protect the Lexan dome. These LED drop lights improve on the desirable qualities of similar incandecsent models with higher foot candle light output, cooler operation and better light quality, and are ideal for use in wet areas and close work. The cool operation, good light color and evenness of coverage makes these lights ideal for a wide variety of close quarter work and inspection activities.This LED lamp has a 50,000 hour operational life and is available in 120-277V AC, 11V or 25V configurations for high or low voltage operation.

The 10-watt LED lamp used in this unit produces nearly 2 times the illumination of incandescent lamps as measured in foot candles, at less than 1/10th of the electricity usage and without the associated heat. This LEd drop light runs at operating temperatures of 55 degrees F, greatly reducing the chances of accidents or burns commonly associated with incandescent drop lights. This lamp has no ballast, which reduces lamp weight, a steel globe guard, and a stainless steel hook for easy overhead mounting. The solid state LED bulb has no filament, making it resistant to damage from impacts and dropping.
The VPLHL-7WLED-PC-12.3-GR50 comes with a blue 50 foot 12/3 cord reel from Larson Electronics that provides a 50 foot long 12/3 cord for long range and convenient operation. The cord reel is designed for a lift/drag of up to 50FT of 12AWG/3C SOW/SOOW round cable. Reel with cable installed/tested comes with 50FT active travel plus an additional 2FT for safety wrap and hook up. This reel is UL Listed (UL/cUL), is constructed of durable steel, has a glossy blue powder coat finish and includes a ball stop and a ratchet with a lockout feature. This cord reel has flying leads on both ends.
This LED lamp with cord reel is available in 120-277V AC and 11V or 25V AC/DC versions which can be selected below when ordering. OSHA requires the light to be plugged into a GFI protected outlet. This lamp illuminates an area approximately 8 feet wide in all directions, is certified waterproof and vapor proof, and suitable for use in wet areas.

Lamp Features

10 watt LED Lamp 50,000 hour service life
Rubberized Handle
No Ballast
50` 12/3 SOW Cord
