IND-HVAC-ACS-XX-SP0010

12" Stand-off Bracket for AC Coil Sanitation Bolt-in Kit - 304 Stainless Steel

Product ID: 267940

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

This unit is Made In USA - Manufactured in Texas

The Larson Electronics IND-HVAC-ACS-XX-SP0010 12" Stand-off Bracket for AC Coil Sanitation Bolt-in Kit extends the supplied L-brackets in the IND-HVAC-ACS series lamp kits.

The IND-HVAC-ACS-XX-SP0010 12" stand off is for our IND-HVAC-ACS series lamp kits. This 304 stainless steel accessory can be used to extend the included L-brackets in the UV kit.

Applications: EMT, medical services, emergency vehicles, healthcare centers, ambulance, AC sanitation, disinfection and many more.

Larson Electronics is a manufacturer and as such can build stationary and portable transformer systems to your specifications. Although we carry several models of power distribution transformer systems, we can deliver custom ordered units almost as quickly as our prebuilt units. If this model does not meet your needs, please contact us at 1-800-369-6671 or sales@larsonelectronics.com to discuss your specific requirements.
