TAPM-25FT-ALU

25' Portable Telescoping Light Pole - Extends 7' to 25' - Aluminum, Permanent Mount

Product ID: 333380

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Buy American Compliant

The Larson Electronics TAPM-25FT-ALU Portable Light Pole is a four-stage aluminum pole that extends from 7 feet to 25 feet for raising equipment in outdoor locations. The pole is compatible with surface mounting installations.

The adjustable pole extends to a maximum height of 25` and collapses to 7`. The four stage pole is lowered and extended via a screw type locking system. Operators loosen the retaining screw at each stage, raise the section to the desired height, and retighten to lock the stage in place.

The pole can be mounted to the side of trailers or walls via a flat surface mount bracket.

Applications: Lighting, deploying or raising equipment, outdoors and more.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
