WAT-10x6-LMSM

10’ Single Axle Trailer - 10' x 6' Bed - Holds and Transports Skid Mount Light Towers

Product ID: 148849

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Made in Texas

The Larson Electronics WAT-10x6-LMSM is a 10` single axle trailer designed for the transportation of skid mount light towers. This light tower trailer gives operates a safe and easy way to load and transport skid mounted light towers between various work sites and locations.
The durable, painted steel construction of the WAT-10x6-LMSM makes this trailer sturdy during use. Skid mount towers are bolted down to this 10` long single axle light tower trailer for seamless transportation between job sites and other locations where illumination is needed. The trailer features an adjustable ball hitch that provides secure hookup to tow vehicles. The trailer is finished in industrial grade paint for protection against rust and corrosion and provides an attractive finish. The trailer is equipped with stop/tail/turn lights, side markers, and license plate light for meet with FMVSS and DOT regulations.
***PLEASE NOTE: THIS TRAILER IS FOR TRANSPORT OF TOWERS ONLY,**

NOT DEPLOYMENT.

This single axle tower trailer from Larson Electronics is compatible with the following light towers:
