SWAM-STL-96-MOD1

8' Pole Mounted Swing Arm - Mount Lights, Cables or Equipment - 2” OD Pole - 360° Adjustable

Product ID: 154125

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The Larson Electronics SWAM-STL-96-MOD1 Pole Mounted Swing Arm provides operators with an adjustable and versatile platform for mounting lights, cameras and equipment. The fully adjustable, 8-foot swing arm is equipped with a pin/bolt locking feature and mounts to poles with 2" OD.

The SWAM-STL-96-MOD1 is a pole-mounted swing arm for mounting lights, cabling or equipment. The 360° adjustable swing arm measures 8 feet and features a 24" base at the end of the arm for mounting equipment. A pin/bolt locking mechanism allows operators to secure preferred positions during rotation and enables the use of compatible swing arms with different lengths. The arm mounts to poles with 2" OD.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power

accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
