EPL-HB-150LED-RT-188

Gasketed Food Grade Shatterproof Lens Cover for 150LED-RT Series Explosion Proof LED Fixtures

Product ID: 105881

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Food Grade Polycarbonate Lens Cover for EPL-HB-150LED-RT and EPLC2-HB-150LED-RT Series Explosion Proof LED Fixtures.
This gasketed polycarbonate lens covers the faceplate of the fixture and prevents any glass from being exposed. The gasket is made from food grade materials allowing the EPL-HB-150LED-RT and EPLC2-HB-150LED-RT series light fixtures to be installed in Group G environments.
The lens is held in place by eight clips that snap into place, firmly securing the lens to the fixture. The gasket prevents any dusts or particles from collecting between the fixture and the lens.

Lens Options

Clear **Opaque**
