100 Pack - 22-14 AWG Orange Wire Nut Cap Screw-On Connectors

Product ID: 271199

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

22-14 AWG Orange Wire Nut Cap
Easy screw-on installation utilizing internal square-wire spring to hold wire(s) in place
Used for connecting multiple wires together or capping off unused wires
Thermoplastic shell shields against environmental extremes
Resists chemical action from hydrocarbons, acid, or alkaline solutions
High-dielectric shell features deep skirt design to prevent exposure of bare wire
Color coated for easy inspection and identification
Rated 600 volts maximum, building wire installation
Rated 1000 volts maximum, signs and fixtures installation.
Temperature rating: 105° C (221° F)
Quantity: 100 pcs/sku
