DPG-13KW-1P-120.240-TB-NG

13 kW Portable Diesel Generator - 120/240V 1-phase - No Internal Fuel Tank, EPA Tier 4 Final

Product ID: 279683

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

DPG-13KW-1P-120.240-TB-NG 13 kW Portable Generator

Genset: Enclosed Portable Diesel Generator
Dimensions: 45"L x 26"W x 26"H
Weight: 888 lbs
Engine: Kubota D1503-M-E4BG (EPA Tier 4 Final)
Engine Type: -
Engine Speed: -
Fuel Type: Diesel
Fuel Capacity: N/A (No Internal Fuel Tank, Customer Must Provide External Fuel Tank)
Fuel Consumption @ % Load: 0.46 Gal/Hr @ 25% Load, 0.82 Gal/Hr @ 50%, 1.43 Gal/Hr @ 100% Load
Voltage: 120/240V AC, 1-phase
Amps: 110.8A @ 120V, 55.4A @ 240V
Prime Rating: 13 kW
Standby Rating: 14 kW
Starting System: Electric (Key Switch)
Meter: Hour Meter
Operating Temp Range: -
Materials: -
Mount: Portable
Exhaust Outlet: 1 1/2" NPT Male
AC Power Out: 1 1/4 Liquid Tight Conduit Fitting

Quick Summary

EPA Tier 4 Final
Control Panel
Service Door
No Internal Fuel Tank

The Larson Electronics DPG-13KW-1P-120.240-TB-NG Portable Diesel Generator delivers power to remote sites for temporary projects and applications. Equipped with a Kubota D1503-M-E4BG engine, the genset can produce 13 kW power (prime rating) and supports 120/240V 1-phase. This enclosed unit boasts a low profile and complies with EPA Tier 4 Final standards.

The DPG-13KW-1P-120.240-TB-NG offers portable power in outdoor locations. This unit is powered by a Kubota D1503-M-E4BG engine and meets EPA Tier 4 Final standards. The system carries a 13 kW prime rating and a 14 kW standby rating. For powering tools and equipment, the generator offers 120/240V 1-phase power. At full load, this unit consumes 1.43 gallons of diesel fuel per hour. The genset is enclosed for protection from rugged elements. A key switch is available for starting the outdoor diesel generator. Operators may access a control panel for configuring settings.

Equipped with an hour meter and breaker for protection, the unit does not come with an internal fuel tank (an external fuel tank is required). Battery and fuel

hook-ups, as well as a radiator cap and coolant drain are available on the genset. A 1 1/2" NPT male exhaust outlet and AC power out (1 1/4 liquid-tight conduit fitting) can be found at the back of the unit.

Applications: This portable generator is suitable for use in remote locations, such as temporary camps, construction sites, military bases and areas without reliable access to the grid. It can be utilized to power a wide range of heavy duty tools and equipment, including laptops, portable machines and mobile devices. The unit's robust recharging options offer flexibility in environments where access to reliable power sources are severely limited.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
