Image:

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Made in Texas

The BKT-UPM-T-5X from Larson Electronics is a Telephone Pole Mounting Bracket that allows operators to attach lights to wooden telephone poles and wooden utility poles for wide area lighting coverage. This T-mounting bracket is built from durable steel tubing and can hold up to five compatible light fixtures.

The BKT-UPM-T-5X telephone pole light mounting bracket is constructed from 2 inch by 2 inch steel tubing for a very durable build quality. The powder coated finish makes this T-mounting light bracket resistant to corrosion and other forms of damage. This telephone mounting bracket can hold up to five total light fixtures and is compatible with the Larson Electronics

GAU-LTL-500W-LED LED light fixtures and the HID-22-SL-REM metal halide light fixtures.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
