EPJ-6-MOD1-PC.BLU

Blue Explosion Proof Junction Box with Six 3/4-inch Hubs

Product ID: 150749

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

EPJ-6-MOD1-PC.BLU Blue Explosion Proof 3/4" Rigid Conduit Junction Box
Junction box for branch conduits in hazardous locations. This explosion proof junction box features an extra wide 3-1/8" diameter access cover to provide easy access to the wiring chamber. Precision cast and machined surface permit safer wire pulling. Precision NPT threaded hubs allow trouble-free field installation for this rigid conduit box.
