EPEXC-SOOW-100-30A

100' Explosion Proof SOOW Cord - 30 Amp Continuous Service

Product ID: 243543

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Larson Electronics 30 Amp, Continuous Service, 100` Explosion Proof SOOW Cord Rated for use with Class 1 Division 1- Groups C & D and Class 2 Division 1 Groups E, F, & G equipment.
The Larson Electronics EPEXC-SOOW-100-30A Explosion Proof cord allows operators to safely extend the range of their explosion proof light or equipment cords beyond the boundaries of the hazardous work area. These units are constructed of 100 feet of SOOW explosion proof cord rated at 30 amps of continuous service. The cord is chemical and abrasion resistant, and allows operators to attach to their equipment and extend the range of their equipment.
Suggested Applications: Manufacturing, Industrial, Warehouse, Lighting, Explosion Proof Light Fixtures, Grinders, Wet areas or Locations Where Combustible Dust is Present.
