IND-HVAC-DTR-UVC-XX-RDA-24

Adaptor Plate for IND-HVAC-DTR UV Air Duct Disinfection Series - 24" OD Ductwork

Product ID: 268769

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

This unit is Made In USA - Manufactured in Texas

IND-HVAC-DTR-UVC-XX-RDA-24 Adaptor Mounting Plate for UV System

Unit Type: UV-C Air Disinfection Fixture Accessory
Dimensions: -
Weight: -
Compatibility: IND-HVAC-DTR Series
Duct Size: 24" OD Ductwork
Materials: -
Mount: Round Duct

Features

PLEASE NOTE: UV-C light can cause temporary or permanent loss of vision, and temporary acute redness or ulceration (mild to severe sunburn) to exposed skin. To prevent exposure, do not operate the device in any application that allows UV-C light to be visible during operation. NEVER LOOK DIRECTLY AT THE BULB OR DISINFECTING TARGET ZONE. DO NOT touch bulb with bare hands. The oils in your skin will damage the lamp. Fingerprints will result in reduced performance and significantly reduce the lifespan of the lamp unless they are removed with alcohol. Please read instruction manual for UV safety requirements before operating.

The Larson Electronics IND-HVAC-DTR-UVC-XX-RDA-24 Adaptor Plate allows UV air disinfection units from the IND-HVAC-DTR series to be mounted inside round ducts.

The IND-HVAC-DTR-UVC-XX-RDA-24 is a sturdy adaptor plate for mounting UV air disinfection systems from the IND-HVAC-DTR series inside round ducts. This unit is compatible with 24" OD ductwork.

Applications: The IND-HVAC-DTR-UVC-XX-RDA-24 is ideal for round ducts in restaurants, hospitals, clinics, laboratories, nursing homes, schools, food processing facilities, office buildings, conference rooms, universities, clean rooms, and many more.

Larson Electronics is a manufacturer and as such can build stationary and portable transformer systems to your specifications. Although we carry several models of power distribution transformer systems, we can deliver custom ordered units almost as quickly as our prebuilt units. If this model does not meet your needs, please contact us at 1-800-369-6671 or sales@larsonelectronics.com to discuss your specific requirements.
