

Polycarbonate Handle for BLG Series Nozzle Mount Blast Gun Lights Instruction Manual

Do not attempt operation until you are familiar with all warnings, precautions, and procedures outlined within this instruction sheet. Read carefully before operating. Retain these instructions for future reference.

WARNING:

- DO NOT MAINTAIN BLAST GUN LIGHT WITHIN A HAZARDOUS AREA.
- DISCONNECT BLASTING EQUIPMENT PRIOR TO INSTALLATION TO PREVENT ACCIDENTAL ACTIVATION.
- MODIFYING ANY PARTS IS NOT RECOMMENDED AND WILL VOID WARRANTY.

INSTALLATION

MOUNTING TO BLAST GUN

- Remove the top clamping piece from the U-brackets to place around blast gun.
- Place each U-bracket over the slots of the handle and add to any standard blasting gun. Mount towards the front of the blast gun in a comfortable position for operation.
- Replace the top clamping piece for each u-bracket and secure bolts to ensure no unnecessary movement in the field.

REPLACEMENT PARTS

The Larson Electronics LED blast gun light is designed to provide years of reliable lighting performance. Should the need for replacement parts arise, please contact Larson Electronics.
