XLE-NW-SW-5P-4XPOE-R1

POE Network Switch - 4-Port - 802.3af Compliant - Metal Enclosure

Product ID: 267734

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

XLE-NW-SW-5P-4XPOE-R1 4-Port POE Network Switch
Unit Type: POE Network Switch
Dimensions: 3.94"L x 3.86"W x 0.98"H
Number of Ports: 4
Wattage (Per Port): 15.4W (56W Total)
Power Over Ethernet: 802.3af
Design: Fanless
Enclosure Material: Metal

Features
802.3af Compliant
