25W Havis Mount Police LED Spotilight
6 Million Candlepower - 12-32V DC - 1000' Beam - Pistol Grip

I. Operation and Plug Options

I. **On/Off Operation**

This flashlight is operated by a simple push button located on the front side of the handle.

II. Plug Options

Each light comes with a detachable 16 foot coil cord with cigarette plug. The cord is detached via a weatherproof, 2 pin Deutsch connector which easily and securely attaches and detaches the coil cord from the spotlight. Other cords, including 21 foot cords with ring terminals (C-21RT), 16 foot cord with spring battery clamps (alligator clips) (C-16BC) and a 16 foot straight cord with cigarette plug (C-16CP) are available. This light can be ordered in configuration from 12-32V DC, allowing it to be used with any vehicle or ATV equipped with a cigarette plug.

16ft Coil Cord w/Cigarette Plug

16ft Cord with Cigarette Plug

21ft Cord with Ring Terminals

16ft Cord w/Battery Clamps

Mounting

The HUL-LED25WRE-CPR-HVMT is equipped with a Havis mount for easily mounting the spotlight to Havis Control units in squad cars and other law enforcement vehicles. This mount features a quick chain disconnect that securely holds the spotlight in place when not in use while simultaneously offering fast removal for situations that immediately require a high-intensity, handheld source of LED light. This mount makes the HUL-LED25WRE-CPR-HVMT an incredible versatile police and law enforcement spotlight.

II. Safety Warnings

For personal safety, always follow the safety instructions in this manual to ensure safe and long-term use. Failing to do so can result in damage to the product or serious bodily injury.

Never place spotlight face down when light is on or is still hot from recent use. Doing so could burn/ignite surfaces such as seats, carpeting, etc. and cause major property damage. Always turn spotlight off when not in use.

To prevent serious damage to eyesight, never look into spotlight when light is on. **DO NOT** shine light into the face of someone else.

DO NOT touch lens of spotlight when light is on or if it was recently on. The lens will be hot and could cause serious burns.

DO NOT allow children to handle or operate this spotlight.

DO NOT use this product for other than its intended use.

DO NOT operate in close proximity of combustible or flammable materials.

DO NOT attempt to operate this spotlight if cord, plug, battery, bulb or any part of the spotlight is damaged or corroded.

DO NOT allow metal parts to touch metal contacts on battery as this can cause a short circuit and result in a fire.

DO NOT disassemble or tamper with the battery.

DO NOT dispose of battery in fire as this may result in explosion.

When disposing of battery, place electrical tape over metal contacts on battery to prevent short circuit which could cause a fire.

The sealed battery must be recycled or disposed of properly. Contact your local county solid waste authority for proper recycling or disposal information.

USE AND CARE

Unauthorized modification may impair the function and/or safety of this device and could affect the life of the equipment. Always check for damaged or worn out parts before using the device. Store it in a secure place out of the reach of children when not in use. Inspect for good working condition prior to storage and before re-use.

REPLACEMENT PARTS

The HUL-LED25WRE-CPR-HVMT is designed to provide years of reliable performance. Should the need for replacement parts arise, please contact Larson Electronics.
