Replacement Steel Mounting Plate for Vehicle Mounting Plates Instruction Guide

Thank you for your purchase of the Larson Electronics MMP-xx-V4-SP0001 Steel Mounting Plate. Please follow the steps below in order to operate and maintain this product.

INSTALLATION

1. Place steel plate over existing mounting plate.
2. Align holes and use the included screws to secure plate onto mount.
3. Tighten each screw until snug.
4. Once all screws are installed and tight, attach your magnetic device.

Take care not to bend mount or use excessive force when removing magnetic devices.
