IND-13.5.21.5.5-ABS-TB-WH.G-N4-IP66

NEMA 4 Enclosure - 13.5" x 21" x 5.5" - ABS, T-bar Bracket, Surface/Wall or Pole Mount - White/Gray, IP66

Product ID: 338506

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The IND-ENC-ABS-TB-WH.G-N4-IP66 from Larson Electronics is an Industrial Enclosure for holding and protecting equipment in industrial sites, such as larger AP's and antennas, including Cisco 3800 DART connector and external antenna and Cisco 4800 AP. A NEMA 4 rating ensures protection from ingress of water, debris, corrosion and more. This unit is made out of polycarbonate ABS.

The enclosure measures 13.5 x 21.0 x 5.5 in. and can be used in rugged environments. Constructed of polycarbonate ABS, a NEMA 4 rating indicates that the enclosure provides a degree of protection against the ingress of water and debris, provides additional protection for rugged elements.

Mounting: The IND-ENC-ABS-TB-WH.G-N4-IP66 is compatible with surface, wall or pole mounting applications.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories.
