HID-22SL-REM-106

NEMA 3 Ballast Box for HID-22-SL-REM Series Metal Halide Lights for Remote Ballast

Product ID: 68984

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The HID-22SL-REM-106 from Larson Electronics is a NEMA 3 Ballast Box for HID-22-SL-REM Series Metal Halide Lights used for holding remote ballasts.
This enclosure is used to mount existing external remote ballasts within for outdoor use. Ballast and connectors sold separately.

Box Only
Cords Sold Separately*
