Explosion Proof Pen Light - Class I Division 1 Groups A, B, C & D - 11 Lumens - 24 Hour Runtime
Instruction Manual

USE AND CARE

Unauthorized modification may impair the function and/or safety of this device and could affect the life of the equipment. Always check for damaged or worn out parts before using the device. Store it in a secure place out of the reach of children when not in use. Inspect for good working condition prior to storage and before re-use.

Operating the EXP-LED-PL1:

Push tail button for momentary operation. Rotate tailcap for steady "on."

To Replace Battery:

Remove tailcap and expired batteries. Replace positive end first with AAAA batteries. Only change batteries **OUTSIDE** of the hazardous area.

Maintenance:

Keep tailcap O-rings and threads lubricated with silicone grease.
