

PAINT OVERSPRAY COVER FOR 2 LAMP 4FT EPL MODELS

Instruction Manual

Thank you for your purchase of the Paint Overspray Cover for the 2 lamp 4ft EPL light fixtures, the following instructions are intended for this part number only.

PLACEMENT INSTRUCTIONS

Fitting the overspray cover is as easy as popping it in to place over the light fixture. Fit one side of the spray cover over the light and slide it under the lip of the light fixture. A slight bend may be needed to do the same to the other side once the first is in place.

Congratulations the Overspray Cover is now installed.
