110V Handheld Ultraviolet LED Spotlight
25' Cord - UV365 Wavelength - 5 Watts
Instruction Manual

Familiarize yourself with all procedures outlined within this instruction sheet.

WARNING:

READ CAREFULLY BEFORE OPERATING FIXTURE. RETAIN THESE INSTRUCTIONS FOR FUTURE REFERENCE.
CRITICAL SAFETY INSTRUCTIONS:

- DO NOT LOOK DIRECTLY AT LIGHTED LAMP.
- ULTRAVIOLET LIGHT CAN CAUSE DAMAGE TO THE HUMAN EYE. DO NOT STARE DIRECTLY INTO THE ULTRAVIOLET BEAM WITHOUT WEARING PROTECTIVE GEAR TO PROTECT EYES FROM LONG TERM DAMAGE.

POWER

1. Attach the deutsch connector from the transformer to the light.
2. Attach power cord from transformer to **Voltage: 110-277V AC** compatible receptacle. *Always use the included transformer for powering light via high voltage sources!*

DEUTSCH CONNECTOR

110-277V AC to transformer is stepped down to 12V DC to light

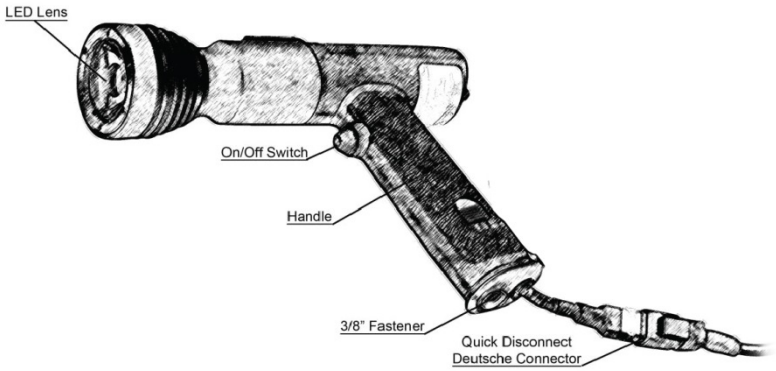

DETACHABLE CORDS

1. Each cord is attached via a weatherproof 2-pin Deutsch connector.
2. The cords are detachable by depressing the tab on the top of the connectors. This enables the operator to leave the cord connected to the power source and remove and store the light.
3. Additional or replacement cords can be ordered from our website. We offer 16 foot coil cords with a cigarette plug (C-16-CC-CP), 21 foot cords with ring terminals (C-21-RT), 16 foot cords with battery clamps (C-16-BC), and 16 foot straight cords with cigarette plugs (C-16-CP).

MOUNTING

1. These units are handheld via the pistol grip handle, but can be mounted via the 3/8-16” brass nut fastener embedded into the base of the handle.
2. We offer a 100lb magnetic base (MM-2) for magnetic mounting, and a permanent mounting plate with swiveling and tilting bracket (PMB-4X4) for permanent mounting.

This UV light is designed for use in dark or semi-dark areas. Allow enough time for your eyes to adjust to the darkness prior to using the lamp. Some materials will tend to fluoresce brighter than others. This reaction is due to the concentration of fluorescence on the material and varying degrees of brightness of different colors.
