Material Safety Data Sheet

To Whom It May Concern,

The bulb and ballast contained within Larson Electronics IND FUVC industrial line of Far UV Excimer lights are considered "ARTICLES" under 29 CFR 1910-1200, the OSHA Hazard Communication Standard, and do not require a Material Safety Data Sheet (MSDS).

The Far UV excimer lamps contain NO MERCURY. This product does not contain any hazardous materials.

Articles are specifically exempt from the regulations of this standard. OSHA defines an article as follows:

1910-1200(c) – Article means a manufactured item other than a fluid or particle:

i. Which is formed to a specific shape or design during manufacture;
ii. Which has end use function(s) dependent in whole or in part upon its shape or design during end use; and
iii. Which under normal conditions does not release more than very small quantities.
