

PLM-30-115-10x10

10" by 10" by 1/4" Platform Top Mounting Bracket for Pneumatic Light Masts

Product ID: 104687

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

10" by 10" by 1/4" Platform Top Mounting Bracket for Pneumatic Light Masts

This mounting bracket is designed to secure cameras and equipment to the top of PLM-30 series pneumatic light masts. The platform measures 10" by 10" and is constructed of 1/4" steel.
