

EPL-48-100LED-SP197

Polycarbonate Diffuser for EPL-48-100LED Series Explosion Proof LED Light Fixtures

Product ID: 105182

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Polycarbonate Diffuser for EPL-48-100LED Series Explosion Proof LED Light Fixtures

This polycarbonate diffuser helps spread the light out over a wider area. The lens slides over the cover of the fixture. Please note, this is not compatible with the wire guards for the series. This diffuser lens works with both pendant and surface mount versions of the EPL-48-100LED series explosion proof LED light fixtures.
