EPL-16BS-1X150LED-SP101

Replacement Stand for EPL-16BS-1X150LED Explosion Proof Base Stand LED Light Fixtures

Product ID: 105342

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Made in the USA

The EPL-16BS-1X150LED-SP101 Replacement Aluminum Base Stand.

The EPL-16BS-1X150LED-SP101 replacement base stand is a four leg aluminum base designed to accept LED light heads measuring 22 inches wide by 14 inches tall. Often referred to as simply a "tank light," this unit is considered universal due to its ability to be passed through any conventional manhole such as those found in petrochemical containers and ship storage tanks.

Please note: Light head sold separately. This is for the frame/base stand assembly only.
