

WALCD-LED-CART

Portable Adjustable Upright LED Light Cart - Frame Only

Product ID: 105410

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Made in the USA

The Larson Electronics WALCD-LED-CART tubular frame dolly cart is designed for mounting light fixtures and equipment for easy mobility and transportation around the job site.

The WALCD-LED-CART standard aluminum cart style frame provides an extremely stable, durable, and mobile platform. Two rubber tires and a cart style mounting platform provides easier substation mobility. This industrial grade dolly cart can be modified to meet the needs of job-site requirements.

PLEASE NOTE: ANY FREE SHIPPING OFFERS DO NOT APPLY TO CARTS OR LIGHTING SYSTEMS

This portable light cart has for retractable arms that allows operators to mount existing lights or equipment for easy deployment and positioning on the job site. Each arm can be raised, lowered, rotated, and pivoted to provide precise positioning of equipment. **Please note:** *light fixtures are sold separately.*

Larson Electronics is a manufacturer and as such can build portable transformer systems to your specifications. Although we carry several models of power distribution transformers, we can deliver custom ordered units almost as quickly as our prebuilt units. If this model does not meet your needs, please contact us at 1-800-369-6671 or sales@larsonelectronics.com to discuss your specific requirements.
