Product ID: 105821

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Made in the USA

The WAT-20x8-TNDM-DLY-72K-EB tandem axle dully trailer from Larson Electronics is a towable 20` flat bed trailer.

The WAT-20x8-TNDM-DLY-72K-EB is a tandem axle dully trailer rated for 7,200 lbs capacity and is equipped with electric brakes and 16" steel wheels. This heavy duty industrial trailer is ideal for hauling construction, mining, industrial equipment.

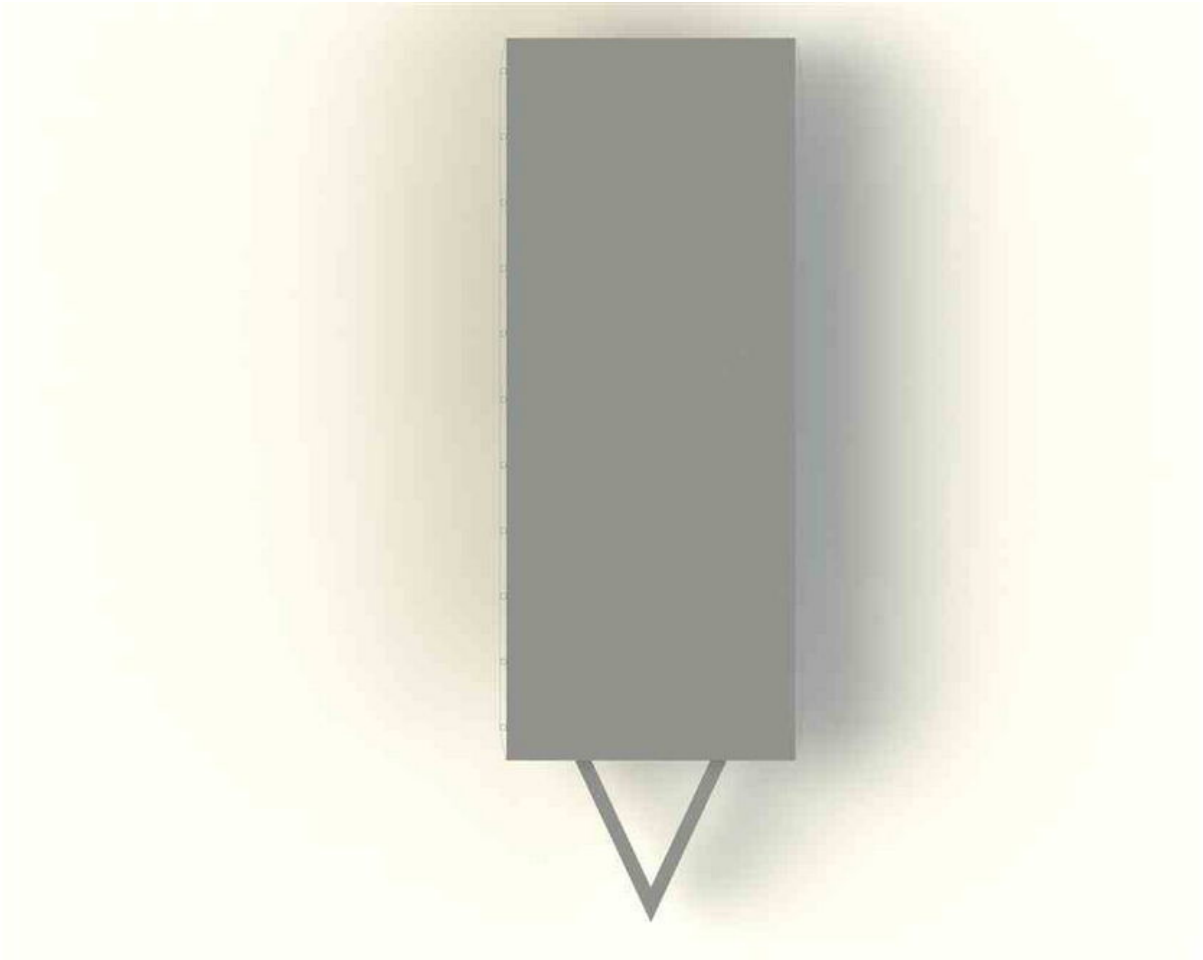

Trailer: The trailer sits on an eight wheel, dully tandem axle suspension and is constructed of box steel tubing. The axles and leaf springs are rated for 7,200 lbs and equipped with P235/80R16 tubeless tires and wheels. The rear axle is equipped with electric brakes. The trailer features an adjustable ball hitch that provides secure hookup to tow vehicles. A single 7,000 lbs rated tongue jack

provides a stable connect-disconnect platform as well as additional stability during tower deployment. Standard heavy duty safety chains are included. The trailer is finished in industrial grade Dupont™ paint for protection against rust and corrosion and provides an attractive finish. The trailer is equipped with stop/tail/turn lights, side markers, and license plate light for meet with FMVSS and DOT regulations.
