ACGE-7000-WC-120.240

7000 Watt Air Cooled Gasoline Powered Portable Generator w/ Wheels - Electric Start - 120/240V

Product ID: 105839

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

ACGE-7000-WC-120.240 7000 Watt Generator

Engine Type: 390CC OHV

Generator: 7KW

Horsepower: 13

Peak Outpit (Surge): 7,000 Watts

Continuous Outpit: 5,500 Watts

Fuel Type: Gasoline

Voltage: 120/240V AC + 12V DC

Outlets: (4) 20A 5-20R, (1) L14-30R, (1) Cigarette Plug Socket

Mounting: Portable Wheeneld Cart

7000 Watt Air Cooled Gasoline Powered Portable Generator w/ Wheels - Electric Start - 120/240V

This 13 HP, 7000 watt generator is mounted to wheeled base to provide standalone power for lights and equipment where line power is not available. This unit allows for quiet operation and up to 10 hours of run time on a single tank of fuel. This generator also includes four 120V outlets, a 120/240 volt twist lock outlet, and a 12 volt cigarette plug socket for accessory attachments, allowing operators to run tools and other equipment while also operating the lights. Larson Electronics is a manufacturer and as such offers a variety of custom options

including different lamp wattages and types.
