RL-85-HID-SPCASE

Hard Sided Storage and Transportation Case for HL-85-LED-CPR Handheld Spotlight

Product ID: 144342

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Buy American Compliant

The RL-85-HID-SPCASE from Larson Electronics is a hard-sided storage and transportation case for the RL-85-HID spotlight.*NOTE THIS PRODUCT IS FOR THE CASE ONLY AND DOES NOT INCLUDE A SPOTLIGHT OR ANY OTHER ACCESSORIES*The RL-85-HID-SPCASE is the ideal storage and transportation solution for the RL-85-HID, RL-85-HID-RED. It is also a direct replacement for the carrying case that is included with the RL-85-HID-HC. handheld spotlight. This rugged and durable case comes with a foam insert to hold the spotlight firmly in place even during transportation. This clam shell case has enough room for the spotlight as well as the lens, battery and charger.The RL-85-HID-SPCASE has an ergonomic handle to offer operators a comfortable carry and further mobility during transport. The foam inside the case helps to further protect the already durable spotlight from any possible damage. The case features two firmly locking clasps to ensure the case only opens when the operator unlocks the clasps.At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
