EPLC2-TRN-xx-SP190

Safety Cable Suspension Mount Set for EPLC2-TRN Series of Explosion Proof LED Flood Lights

Product ID: 144458

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Made in Texas

The EPLC2-TRN-xx-SP190 from Larson Electronics is a safety cable suspension mount set that allows operators to hang the EPLC2-TRN series of lights upside down without the need to take the risk of using the light`s power cord for hanging. This safety cable suspension mount increases the versatility and safety of a wide variety of droplights as well as prolonging the life of lights by providing a sturdier mounting option. The EPLC2-TRN-xx-SP190 safety cable suspension mount set consists of two tabs for connecting the cables to the side of the fixture that lead to the safety suspension cable. The EPLC2-TRN-xx-SP190 features 20` of safety suspension cable per side and each cable has eyelets on both ends.******Please note: light fixture is **NOT** included and is sold separately*****At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
