k-2496 Flashlight Traffic Wand 2-D cell flashlight with red wand

Product ID: 146

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Heavy duty 2 D-cell flashlight with snap in 6-inch red wand for traffic control light functionality.

- removable end cap with spare bulb
- removable head
- 6 inch wand snaps on and off the head of the flashlight
- takes 2 D-cell batteries
- flat edge on head keeps flashlight from rolling
