

HAL-SL-SP0179

Replacement Suspension Mounting Plate for HAL-SL Series String Lights

Product ID: 146247

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The HAL-SL-SP0179 from Larson Electronics is a replacement suspension mounting plate for HAL-SL series string lights.

The HAL-SL-SP0179 includes mounting hardware, aluminum mounting plate w/ eyelet, and C-hook. This replacement suspension mounting plate is a direct replacement for missing, lost, damaged or otherwise compromised HAL-SL series string light mounting plates.
