Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The LEDWP-400-M-SP0109 from Larson Electronics is a replacement magnet with mounting hardware for LEDWP-400-M fixtures.

The LEDWP-400-M-SP0109 replacement magnet and mounting hardware can also be used to upgrade non-magnetic fixtures to a magnetic fixture. This replacement magnet includes all of the necessary hardware required for attaching the magnets.
