GAU-LTL-150W-LED-SP0129

4" Dark Sky Glare Shield for GAU-LTL-150W-LED LED Fixtures - Reflects Upward Wasted Light Down

Product ID: 146694

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The GAU-LTL-150W-LED-SP0129 from Larson Electronics is a glare shield that helps to reduce wasted light being cast upwards by the GAU-LTL-150W-LED LED light fixture. Acting to reflect light down that would usually be wasted by being cast upwards, the GAU-LTL-150W-LED-SP0129 increased the efficiency of LED light fixtures it is attached to as well as making for a brighter and more well lit work area.
The GAU-LTL-150W-LED-SP0129 is a 4 inch glare shield. This dark sky visor reflects light that would usually be wasted back down into the work area. This glare shield contributes to greater lighting efficiency and a more brightly lit area wherever the LED fixture is mounted. A more well lit work environment improves visibility which also increased workplace safety.
At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or

accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
