

HUL-18-SP0183

Replacement Lens for HUL-18 Series Handheld Spotlights

Product ID: 146873

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The HUL-18-SP0183 from Larson Electronics is a replacement lens for HUL-18 series lamps. This lens is meant as a replacement for damaged, broken, lost or otherwise compromised lenses on the HUL-18 line of handheld spotlights from Larson Electronics.
