LM-XX-SP0127-Y

Y-Head Mounting Bracket - 2" Slip Fitter - T-Handle - For LM Series Light Towers

Product ID: 146966

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The LM-XX-SP0127-Y from Larson Electronics is a Y-Head Mounting Bracket for the LM Series of light towers.
The LM-XX-SP0127-Y features a 2" slip fitter yoke for attaching to the light tower as well as a T-Handle for tightening and loosening the Y-Head bracket during installation and takedown for storage.
The LM-XX-SP0127-Y is powder coated for durability and corrosion resistance and finished in glossy blue for pleasing visual aesthetics.
