

EPL-HB-150LED-118-SS-V2

Stainless Steel Surface Mount Kit for EPL-HB-150LED Explosion Proof Lights - Surface Mount Jbox

Product ID: 147041

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The EPL-HB-150LED-118-SS-V2 from Larson Electronics is a stainless steel ceiling/flat surface mount kit for EPL-HB-150LED Explosion Proof 150 Watt High Bay LED Light Fixtures. The EPL-HB-150LED-118-SS-V2 features a stainless steel U-bracket mount for the light fixture, two T-handles made from stainless hardware with rubber grip turn knobs for adjusting/tightening the light fixture, and an aluminum junction box with mounting flanges to allow for remote surface mounting.
