# General Area 50' 12/3 Cord Reel - GFCI Duplex Outlet w/ Watertight Covers - 120V - 5-15P Cord Cap

**Product ID: 147208**

**Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).**

**Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.**

## Made in the USA

**The Larson Electronics GAU-CR-50-12.3-GFCI-120V-5.15P 50 foot Cord Reel with GFCI Tool Tap designed for lift/drag up to 50 feet. This allows operators to extend the power source up to 50 feet away from the reel, easy storage when not extended, and provides a duplex GFCI outlet tool tap with hinged waterproof covers. This cord reel features a 5 foot input cord that is terminated in a 5-15P general area cord cap.**

This 50 foot cord reel from LarsonElectronics.com provides a 50 foot long 12/3 cord for long range and convenient operation. The cord reel is designed for a lift/drag of up to 50FT of 12AWG/3C SOW/SOOW round cable. Reel with cable installed/tested comes with 50FT active travel plus an additional 2FT for safety

wrap and hook up. This reel is UL Listed (UL/cUL), and is constructed of durable steel, has a safety yellow and white powder coat finish and includes a ball stop and a ratchet with a lockout feature. Attached to this cord reel is a duplex water tight receptacle box that houses a duplex GFCI outlet, allowing operators to plug up to two electrical devices into the the tool tap.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
