

EXPCMR-ALG-OZ-SP0105

Replacement Wiring Harness for EXPCMR-ALG-OZ Series Explosion Proof Security Cameras

Product ID: 147264

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The EXPCMR-ALG-OZ-SP0105 from Larson Electronics is a replacement wire harness for the EXPCMR-ALG-OZ series of explosion proof security cameras. This harness includes HD-TVI and BNC connectors for video output and power connector to supply power to the camera. The EXPCMR-ALG-OZ-SP0105 can be used to replace lost, damaged or otherwise compromised wiring harnesses for the Larson Electronics EXPCMR-ALG-OZ series of explosion proof security cameras.
