

EPL-MB-70LED-SP129-KT

Replacement Magnetic Mounting Bracket Kit for EPL-MB-70LED Series Explosion Proof Lights

Product ID: 147503

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The EPL-MB-70LED-SP129-KT from Larson Electronics is a replacement magnetic mounting bracket for EPL-MB-70LED series lights.

The EPL-MB-70LED-SP129-KT includes both brackets and all three magnets that the mounting bracket on the EPL-MB-70LED consists of. The EPL-MB-70LED-SP129-KT also comes with all of the necessary hardware to assemble the replacement magnetic mounting bracket including the hardware needed to attach the two brackets together as well as the hardware for attaching the light to the mounting bracket once it is assembled.
