

LM-xx-3S-SP0343-R2

Middle Stage Mast Tiedown - Secures Fold Over Masts for Transit

Product ID: 148438

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

This unit is Made In USA - Manufactured in Texas

The LM-xx-3S-SP0343-R2 from Larson Electronics is a Base Stage Mast Tiedown that is used for securing fold over masts for transit.

The LM-xx-3S-SP0343-R2 bolts onto enclosures or other convenient surfaces to secure fold over masts to the trailer or genset. This adds an additional level of safety for secure and reliable transportation of fold over masts. This Base Stage Mast Tiedown requires the LM-xx-3S-SP0344 retaining pin and the LM-xx-SP0342 snap ring to operate.

The LM-xx-3S-SP0343-R2 is available in either a powder coated or galvanized finish. Please make your selection below when ordering.
