

Light Pole Anchor Bolt Kit - 4 Bolts per Kit

Part #: LMP-20-11GA-RTS-SP0012

The LMP-20-11GA-RTS-SP0012 is an anchor bolt kit for Larson Electronics` heavy duty light poles. Each features an "L" bend on the anchor end and heavy-duty galvanized steel on the threaded end for the ultimate protection against corrosion. This 4 pack comes complete with 4 12" bolts, 8 nuts and 8 washers
