Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Aluminum Pole Mount Bracket for EPL Series Explosion Proof Light Fixtures

This set of two (2) brackets allows one (1) 2-lamp EPL series light fixture to be pole mounted instead of surface mounted. Brackets are constructed of non-sparking aluminum with stainless steel hardware.

Size options include 1 inch, 1-1/2 inch, 2 inch, 2-1/2 inch, and 3 inch. The sizes are based on the mounting pipe OD, and the bracket is designed to properly fit the pipe. Please select your pipe size.
