

EPF-HPSM-24-1HP-3P-SP1201

Replacement Motor for EPF-HPSM-24-1HP-3P Explosion Proof Fans

Product ID: 149475

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Replacement motor for EPF-HPSM-24-1HP-3P explosion proof fans.

This motor can be used to convert EPF-HPSM-24-1HP-1P single phase motors to three phase. Explosion proof ratings remain valid. Physical modifications to frame and fan blades may be needed to mount the fan blades to the motor shaft and mount the motor into the fan frame.
