Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The EPL-xx-2L-SP0195 is a replacement drop mount kit for Larson Electronics EPL-48-2L and EPL-24-2L series explosion proof lights. This kit is used to lower a fixture on one side for lamp servicing and includes two pin release mounts for the fixture, two safety cables, and two safety cable mounts. Two kits are required for 4 lamp fixtures.
