

## RCL600-W

**Marine Searchlight - Motorized Remote - 7" Lens - Wireless & Wired Remote Controllers - White**

**Product ID: 150347**

**Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).**

**Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.**

**The RCL600-W is a Marine Searchlight with motorized remote control with 7 inch lens, and wireless and wired remote controllers.**

- Completer drive units enclosed in light housing
- Single control lever for vertical and horizontal movement
- Dual speed control for precise beam movement
- Clutch type feature protects drive unit against overload. This searchlight can operate for extended periods against limit stops without harm.
- Light head may be moved manually without damage to the drive unit.
- Internal brake system holds beam firmly on target
- Light weight at 8lbs

### **Dash Mount Joystick Controller:**

- Includes hard wired dash mount, joystick controller with on/off, dual speed control (slow and fast) and single control for vertical and horizontal movement

### **Light Output:**

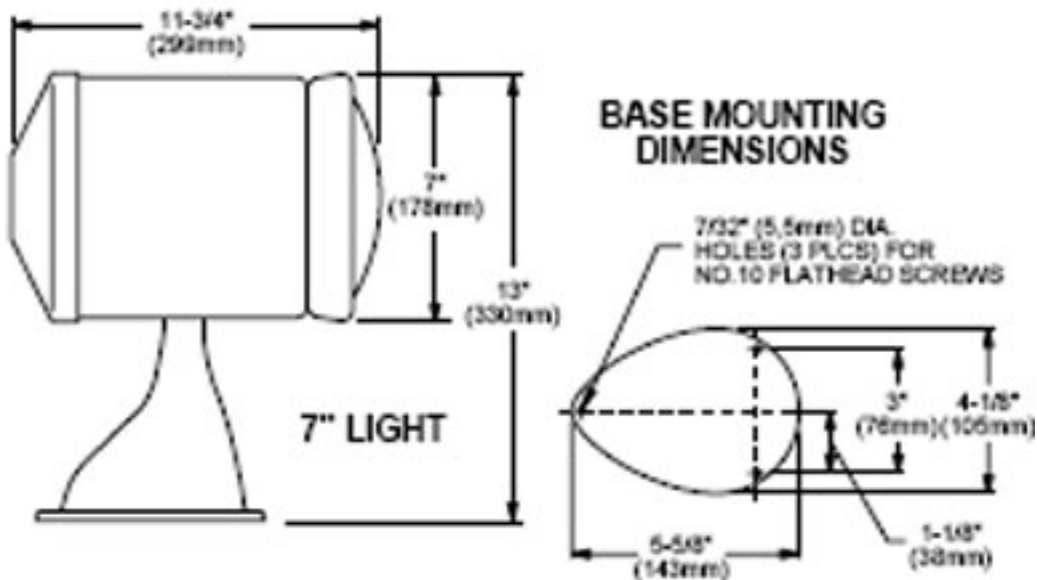

- 230,000 industrial candlepower rating. 4 million adjusted retail candlepower.
- 100 Watt Halogen bulb draws 8.34 amps @ 12 volts DC

### **Materials:**

- Brass housing and brass base with white powder coating.

### Wireless Controller:

- Separate wireless handheld remote controller enables operator to control the searchlight from the hard wired console controller or the handheld wireless controller.
- Can be installed for 'wireless only' operation
- 100 foot range
- 12/24 volt operation
- True 8-way directional control with instant response for precise control and targeting
- On/off and LED battery check
- Long life lithium battery for handheld remote control
- Meets standards for FCC, Industry Canada, Australian and European compliance.
- "First on" learning mode syncs transmitter and receiver codes for no cross talking with other remote control devices
- Up to four wireless remote control units can be used per light
- Power saving 'sleep mode' when not in use.
- 3VDC (CR2032 Battery)
- Reverse polarity protected
- 433.92 MH frequency

---

## Frequently Asked Questions (FAQ)

RCL600-W

Product ID: 150347

Export Control Classification Number (ECCN): EAR99

Options:

RCL600-W-Voltage

Example: RCL600-W-12V

| Voltage     |      |
|-------------|------|
| 12 VOLTS DC | -12V |
| 24 VOLTS DC | -24V |
