

EXPCMR-xx-SP0129-2IN

Glare Shield/Reflector for EXPCMR Explosion Proof Cameras

Product ID: 150650

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

The EXPCMR-xx-SP0129-2IN Glare Shield from Larson Electronics is a glare shield to reduce bright light and glare on the glass lens that may disrupt camera footage. This shield bolts to the back of the camera and extends out wards 2" in front of the camera to reduce upwards glare.

The EXPCMR-xx-SP0129-2IN is compatible with EXPCMR-ALG-1080P series, EXPCMR-ALG-OZ series, EXPCMR-IP-POE-4MP series, and EXPCMR-WIP-RPS-OZ series cameras.
