EPJ-Y-50

Explosion Proof Pulling Elbow - 1/2" Hub - 90 Degrees - Aluminum

Product ID: 150974

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Made in the USA

The EPJ-Y-50 From Larson Electronics is a 90 degree explosion proof pulling elbow with a 1/2" hub, rated for Class I, Class II and Class III hazardous locations.

This 90 degree capped pulling elbow is Class I, Div. 1 & 2, Groups C, D Class II, Div. 1 & 2, Groups E, F, G and Class III rated, as well as UL listed. This aluminum pulling elbow features a 1/2" hub and is threaded for use with rigid or IMC conduit systems, to change the direction 90 degrees in systems where operators have limited access to pulling conductors or tight spaces for maintenance. The smooth integral brushing on this pulling elbow helps prevent damage to wires.

At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
