GAU-CR-30-8.3-125V-KLG-4X20A

General Area Use Tool Tap Cord Reel - 30' 8/3 SOOW Cord - (4) 5-20R GFCI Receptacles - Cord Grip

Product ID: 151020

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics LLC manufactures a wide variety of products, including custom built to spec designs. The pictures displayed for this unit are a general representation of form factor for the product line and may not accurately represent this exact configuration in every detail due to custom builds and changes between similar products in our standard catalog. The specifics for this configuration are listed in the specification table and supporting documentation (CAD files, Dimensional Drawing, Name Plate Diagram, Wiring Diagram, etc.). This means that specific details (receptacles, plugs, wires, connections, mounting brackets, external finishes, etc.) may not be accurately represented in images vs specifications. Please review specifications and do not order based solely on images.

Made in the USA
#000000**The Larson Electronics GAU-CR-30-8.3-125V-KLG-4X20A 30` 8/3 Tool Tap Reel is designed for extending electrical connections in industrial work sites and general locations. This accessory comes with four, 20-amp 125V 5-20R GFCI receptacles and features mounting compatibility with flat surfaces.**
The general area use tool tap reel provides a 30` long 8/3 SOOW cord for extended range and convenient operation. The 20-amp reel with cable features four, 20-amp 125V 5-20R receptacles with GFCI protection in a quad configuration. This unit is constructed of durable steel, has a glossy blue powder coat finish and includes a cord grip on the box to prevent accidental detachment or ripping.
Applications: Completing electrical connections, industrial facilities, general work sites, warehouses, construction, commercial spaces and more.
At Larson Electronics, we do more than meet your lighting needs. We also provide replacement, retrofit, and upgrade parts as well as industrial grade power accessories. Our craftsmen can custom build any

lighting system and/or accessories to fit the unique demands of your operation. A commitment to honesty, quality, and dependability has made Larson Electronics a leader in the lighting and electronics business since 1973. Contact us today at 800-369-6671 or message 2sales@larsonelectronics.com for more information about our custom options tailored to meet your specific industry needs.
