

Replacement Mounting Bracket Assembly for LEDLB Series Lights

Part #: LEDLB-xx-SP0121

Replacement mounting bracket assembly for LEDLB series lights.

Includes: stud, nut, and cushion.

NOTE Multiple brackets may be required per light fixture depending on the side. e.g. LEDLB-24E uses two LEDLB-xx-SP0121 assemblies with a BKU-SS-112 bracket to hold them together, and the LEDLB-40E uses four LEDLB-xx-SP0121 assemblies with two BKU-SS-112 brackets. LEDLB-4E uses a single assembly, and LEDLB-12E uses two assemblies. Price is per assembly.
